The BATES COLLEGE Mirror

Mountain of Clothes

'The ground-breaking ceremony held back in 1997 started the formation of the new academic building here at Bates College. However, the building has really come to life for the Bates community over this past year. 'The new building, named Pettengill Hall, will house offices for the professors of the social science departments, as well as many classrooms. Pettengill Hall is scheduled to open for classes in the fall of 1999.

The Outing Club Clambake

Parent's Weekend was one of the wettest weekends on campus this year, but the rain did not stop people from venturing outside and enjoying life at Bates. The acappella groups brought the Chapel to life on Friday night with their musical selections. On Saturday, the Football and Rugby teams wrestled around in the mud trying to defeat their opponents, while rain- soaked parents cheered on the Soccer and Field Hockey teams. The rain continued to pour during Rockappella's packed performance in the Cage. Despite the wet weather, a good time was had by all.

Back To Bates

Alumni came pouring out of the woodwork this year for the Back to Bates Weekend. The weather cooperated and everyone basked in the ideal New England weather. All the sports teams enjoyed the support of cheering fans and many old classmates caught up with each other while watching the Football game. It was a great weekend with many alumni, along with students, partying the nights away.

Halloween

The CHC pulled off another fun filled halloween party and everyone dug out their costumes and had a blast. On halloween night many participated in the infamous tradition of "Trick or Drink" and then got together to celebrate the holiday before heading over to the Cage. Twiddle Dee and Tweedle Dum were spotted amongst the witches, angels, and mass of scary biker chicks.

Harvest Dinner 1998

The Bates Dining Services gave it their all again this year and Harvest Dinner was a great success. The theme of "A Pilgramage to a New World" allowed us to look at the heritage of voyagers from different countries as they journeyed to the New World in search of freedom. The traditional American meal proved to be very popular and everyone ate for hours!

A Pilgramage to a New World

This year marked the 80th Winter Carnival at Bates as ice sculptures graced the quad once again. One of the more popular formations was the reconstruction of a new VW bug outside of Carnegie. A coffeehouse offered entertainment with students reading poems and playing the guitar. Holding to the theme of Greek Week, a huge toga party closed out the festivities.

ALL ABOARD THE S.S. BOBCAT

At this year's Gala everyone dressed up and came aboard the S.S. Bobcat for a wild night of swing dancing. As usual, the food was delicious and everyone had a great time. Both of the bands played and brought students and faculty alike to their feet, to dance the night away.

THE MIRROR

The 1999 Mirror is the result of a ton of organization, attention to detail, planning, panicing, late nights, and teamwork. The three of us would never have survived the ordeal without the help of several invaluable people.

Peter Taylor for helping us solve the mysteries of our budget. Belinda Ouellette for making lists and labels whenever they were needed. Adam Levin and the college relations staff for providing the team pictures for the sports section. Once again Gene Clough came through as our trusty advisor and helped to chronicle the pages dedicated to the construction of Pettingill Hall. The senior class for submitting funny, sad, embarassing, serious, and ridiculous candids from the last four years at Bates.

Ken Murphy and Portrait Imaging Company for spending hour upon hour making the seniors smile and for taking wonderful candids throughout the year. Cole Harris, Jonathan Gunter, and the staff at Jostens for their endless amounts of help answering hundreds of questions, and making even more corrections. Thank you for seeing us safely through another publication.

Gratitude goes out to our treasured staff; Megan, Albert, Meg, Cauley, Allyson, Heidi, and Erin who became layout geniuses and pro-photographers over the course of the year. We could not have completed the book without you.

A lot of time and energy has gone into this book. We hope we have captured memorable moments from this past year and of the senior class.

In Loving Memory
Robert J. Branham
1953-1998

"Bob was a complete person, a man who loved his family above all else, a man who pursued excellence in his profession without losing his capacity to enjoy the trivial in his daily life, a man consequently whose life represents far more than the simple sum of its parts. I think it makes him most happy to know that we appreciate these qualities about him best of all." - Thomas Foley (longtime friend)

"All of us who knew Bob were aware of his courage, his love of his family and friends, his commitment to his students and to the college, his intellectual clarity and professional achievements, his grace and gentle kindness, his passion for principle and his decency." - President Harwood
